### What is Takaful?

"Takaful" is an Arabic word which means "joint guarantee". It is a community-pooling system, based on the principles of brotherhood and mutual cooperation, where participants contribute in a common fund to help those who need it the most.

The system runs on these principles:

- 1) Participants pool a small amount called "Contribution" into a Waqf Fund, on the basis of "Tabarru", to protect themselves and each other against specified risks.
- 2) The Window Takaful Operator manages a Waqf Fund, called Individual Family Takaful Participants' Fund (IFTPF), with due diligence and prudence in the capacity of "Wakeel".
- 3) The claims are paid from the IFTPF.
- 4) Surplus amount, if any, may be distributed among the participants as per the advice of Shariah Advisor and Appointed Actuary of the Company.

### What is a Family Takaful Plan?

A Family Takaful Plan is an arrangement which rests on key Shariah principles of mutual cooperation, solidarity and wellbeing of a community.
